NEC Code Update for Electrical Trainees, Electricians, and Administrators

April 13th & 15th, 2021 from 5pm-9pm both nights

Electricians & Administrators Course # WA2020-576

Trainees Course # WA2020-577

Association Members \$99.00 Non Members \$120.00

Non-refundable sessions for no-shows due to limited seating & growing wait lists.

This 8-hour course meets the National Electrical Code requirements for continuing education for electrical journeyman, specialty electricians, administrators and Trainees. Emphasis placed on utilizing the current edition of the NEC as the primary resource for recognizing and interpreting changing requirements for electrical installations.

*COVID update: **This session will be a ZOOM session.** Classrooms and ZOOM sessions are limited to 15 people per session at this time. Per LNI, requirements- allow ZOOM participants must have their ZOOM video on so the instructor can see you during the sessions and when you take your online exam. If you are going to ZOOM with a device, which does not have a camera then you will need to find a new device to use for class. Thank you.*
